

Uyir Urugudhey Song Lyrics

Nee ingae illai
Endraal naan illai
Nee ingae illai
Endraal naan illai

Uyir urugudhey
Manam karayudhae
Enadhu vaanae

Oru murai than paarthen unnai
Unnai paravasathaal
Badhil uraikka marandhu vitten
Ninaivinileno vandhaal annai

Nee ingae illai
Endraal naan illai

Merkae un saaral mazhai
Vaa vaa vandhennai nanai
Yarum mun solla kadhai
Inbam pol thondrum vadhai

Kanden en maayavi maanai
En reengaara veenai
Nee naan seyyum aaradhanai

Nee ingae illai
Endraal naan illai
Nee ingae illai
Endraal naan illai

Paayum un kaar koondhaill
Ennai en nee yendhinaai
Mannil naan veezhum munne
Ennai nee than thaanginaai

Oonjal pol thaalnatum
Tholil naan saaindhadum naalil
En lesaaga nee thembinaai

Uyir urugudhey
Manam karayudhae
Enadhu vaanae

Oru murai than paarthen unnai
