

Uyire Song Lyrics

Uyire oru janmam ninne
Njanum ariyathe poke
Vazhvil kanalaalum pole
Urukunnoru moham neeye

Nenjulanja murivilaai
Melle melle thazhukuvan
Nilavaakam nizhalaakam
Mannadiyum naal vare
Kooda kaavalayi
Kanne ninne kaakkam

Swapnam nee swantham neeye
Swargam nee sarvam neeye

Mekham vaanilenkilum
Dhoore dhoore maanjuvenkilum
Thaazhe aazhiyethuvaan
Mazhayaai veendum peythirangume

Ulakithinodum poruthidumini njan
Ninne nedaanazhake
Ivalini ninnil kalarukayaayi
Oru nadhiyaai naamozhukaam

Mizhiyil
Neeye... Neeye...

Uyire oru janmam ninne
Njanum ariyathe poke
Vazhvil kanalaalum pole
Urukunnoru moham neeye

Nenjulanja murivilaai
Melle melle thazhukuvan
Nilavaakam nizhalaakam
Mannadiyum naal vare
Kooda kaavalayi
Kanne ninne kaakkam

Swapnam nee swantham neeye
