

Uyire Uyire Lyrics

Uyire uyire nee thodaraadhiru
Ninaivugalaai nee padaraadhiru
Urave urave nee kalaiyaadhiru
Kanavugalaai nee maraiyaadhe

Kaalam ezhuthi kaatril eriyum
Kadhaigal polave
Neeyum naanum kaiyil sera
Kaadhal neeraa

Varangal kettaal paligal thandhaai
En uyire en uyire
Uyire uyire nee thodaraadhiru
Ninaivugalaai nee padaraadhiru

Ver vidhaiyume pudhaindhudhaan mulaikkume
Vizhuvadhu thavarillai ezhundhu nee nadandhidu
Un nodiyile ulagame maarume
Kilaigalai izhandhudhaan kilaigalum kulirkkudhu

Idaividaa idigalai idhayamum thaangumaa
Vidhigalin ranangalai manangalil thaangumaa
Theeraadha vazhigal aaraadha pothum
Yen manam adhai virumbudhu

Naan unakkena siragugal seigiren
Ezhundhu nee parakkavaa nadandhadhai marakkavaa
Nee enakkena dhisaigalai maatrriinaai
Dhooramaai pogavaa megamaai maaravaa

Uyirile thee mazhai pozhiyudhe eeramaai
Kaadhalin kolangal ketkudhe thooramai
Naan arugil illai, nee tholaivil illai
Naam inaindhudhaan tholaigirom

Uyire uyire nee thodaraadhiru
