---

Vaa nee vaa neela nayana  
Nee thaane azhaku vadhana  
Mai poochu kangal meena  
Kalloorum udhadu thena

Aa un azhage  
Vaan konjum nilave  
Megam thooridum mazhaiye  
Thegam sillidum isaiye  
Maan pol ododi aadidu

Thavamena aadai un meniyai  
Thodavum yenguthe  
Azhakena varikal  
Seruthe kavithayile

Vaa nee vaa neela nayana  
Nee thaane azhaku vadhana  
Mai poochu kangal meena  
Kalloorum udhadu thena

BHARAT
