

Mahiyann vaada raha
Mahiyann vaaada raha
Doonga tujhe
Lage ke haseen
Sham-o-subah

Vaaada raha
Doonga tujhe
Lage ke haseen
Sham-o-subah
Vaaada raha

Lipta hua hoga tu sada

I promise
Will always love you
I promise
Will be there for you
Mene tujh mein jahan hai paya
Tu ban ke dua hai aaya

Yunhi mujhe mein rahein
Saya meherban hoo
Meri aankhon mein mera jahan hai
Tu hoke wahan bhi yahan hai
Teri jaisa sukuoon kahan hai
Meherbaan
Rab ne barsai mujh mein saari khudaii

I promise
Will always love you
I promise
Will be there for you

Jab jab tu milta hai
Rota dil hasta hai
Mujh mein tu basta hai
Har jagah
Yeh kaisa rishta hai
Nazron se lipta hai
Tu hi tu dikhta hai

Har jagah

Ho rab ne basai
Mujhpe saari khudai

I promise
Will always love you
I promise
Will be there for you

Mere dil ki aankhon ke
Dadhkan ki bahon ke
Tu shamil raahon ke
Darmiyaan

Julta hoon to haatho ke
Lab khole tu baaton ke
Tu hi din raaton darmiyaan
Rab ne basai mujhpe saari khudai

I promise
Will always love you
I promise
Will be there for you..
