

Vaada Rascolu Lyrics

Paraparavena ennavo pannudhu
Ennadaa ennudhu goyaala goyaala
Sara saravena bodhaiyum yerudhu
Buthiyum maarudhu meiyaala meiyaala

Karakaravena boologam suthudhu
Mel logam suthudhu munnala munnala
Kora kora vena vaiellam thikkuthu
Vaarthaiyum sikkuthu thannaala thannaala

Thora thora vena oothuda
Thanniyil midhandhu neechal adikkuran daa
Thara tharavena tharaiyellam urundu
Porandu porandu aadathan thonudha daa

Vaa daa raascolu
Vandhu idha kaelu
Nenaikka vechittaan andha ponnu

Nalla palayalattam
Irundhen pala naalu
Keduthae vechittaa indha venna

Vidudaa vidudaa
Enai nee thodaathae
Pudidaa pudidaa
Odanae vidaathae

Adadaa adadaa
Idhu than love ah daa
Avala nenachu
Thonguren vavvaala

Melae annaandhu naan paartha
Nilavum theriyudhadaa ava face ah
Naalae nodi thaanda ava paarthaa
Alaya vechutta ara loosaa

Vaa daa raascolu

Vandhu idha kaelu
Nenaikka vechittaan andha ponnu

Nalla palayalattam
Irundhen pala naalu
Keduthae vechittaa indha venna

Manasa pugunthu seiyura galatta
Ena dhaan eduthu podura barotta
Adiyae pudichu aattura pisaasaa
Solla thaana nenacha paakkura thamasaa

Thedi unna naan paarkkatta
Ungoppan kitta naan ketkkatta

Vaa daa raascolu
