Uchchiyila ponmalai nila  
Iva pattampochi pola vantha kalakkala  
Pakkam ellam pudhu pachai vizha  
Oru natchathiram pola summa jolikkira

Thavila thavila katti thalam podava  
Kutti bigila bigila lip il oothi vidava  
Thatti tequila tequila ulla oothi vidava  
Ulla oothi vidava

Thavila thavila katti thalam podava  
Kutti bigila bigila lip il oothi vidava  
Thatti tequila tequila ulla oothi vidava  
Ulla oothi vidava vidava vida vida vida

Vaadi vaadi vaadi vaadi vaadi vaa beauty  
Un finger il naan ring-ah potta bachelor party  
Oh vaadi vaadi vaadi vaadi vaadi vaa aththi  
En single status-ah nee maathu champagne-ah oothi

Yeppa yeppa pudhu love u app ah  
Nee sonna idam vandhu ninnen google map ah  
Ootti vandha bicycle ah pa  
Rendu perum maatum povom kadhal ship-ah

Unnai vechu insta story pannava  
Illai namma vechu youtube viral pannava  
Ada yedho vechu twitter trend-u pannava  
Ippa trend u pannava

Hai, ennai vechu insta story pannikko  
Illa namma vechu single song u pannikko  
Ada yedho vechu twitter trend u pannikko

Vaadi vaadi vaadi vaadi vaadi vaa beauty  
Un finger il naan ring ah potta bachelor party  
Oh vaadi vaadi vaadi vaadi vaadi vaa aththi  
En single status ah nee maathu champagne ah oothi

En thangame thangame nenjil thanga thaali poda  
En poove poove kunjom vanna poova chooda  
En pattu vaadi paatu selai katti aada
