

Vaane Vaane Lyrics

Vaane Vaane
Vizhiyale nilavai veesaadhe
Vaage Vaage
Vilagaamal vaasam poosaadhe

Azhage Azhage
Kannadi poovaai koosaadhe
Anange Anange
Kadivaala kaatraai veesaadhe

Unai thedum ganangal
En nerangal neraagum
Mugam paarkkum dhiname
Ini muzhu naal aagum

Kelaamal manam thaana
Ada thaazhaamal mithakkiradhe
Meelaamal ninaivo
Sugam surakkindradhe

Naan naan thaanaa
Enai killi paarthenaa
En perenna ada adhuvum
Marandhenaa

Naan naandhaanaa
Indru pudhidhaai pirandhenaa
Nee vandhadhaal
Neeraaga mithandhenaa

Oru kannile idhayathai
Udaithae nee poraaye
Maru kannile thirumbave
Inaithae nee thaaraaye

Un paarvaiyin peralai
Aahaa then pozhigiradhe

Un vaarthaiyin aazhathil

Aahaa vaan vazhigiradhe

Nettriyil puralum kesam
Pookkalo purali pesum
Azhagendra desam.
