

Vaaste jaan bhi doon
Main gawaah imaan bhi doon
Kismaton ka likha mod doon
Badle mein tere jo Khuda khud bhi de
Jannatein sach kahoon chhod doon

Tumse zyada main na jaanu
Tumse khudko main pehchaanu
Tumko bas main apna maanu mahiya

Tumse zyada main na jaanu
Tumse khudko main pehchaanu
Tumko bas main apna maanu mahiya

Vaaste jaan bhi doon
Main gawaah imaan bhi doon
Kismaton ka likha mod doon

Tere alawa koi bhi khwahish
Nahi hai baaki dil mein
Kadam uthaun jahaan bhi jaaun
Tujhi se jaaun mil main

Tere alawa koi bhi khwahish
Nahi hai baaki dil mein
Kadam uthaun jahaan bhi jaaun
Tujhi se jaaun mil main

Tere liye mera safar
Tere bina main jaaun kidhar

Tumse zyada main na jaanu
Tumse khudko main pehchaanu
Tumko bas main apna maanu mahiya

Vaaste jaan bhi doon
Main gawaah imaan bhi doon
Kismaton ka likha mod doon

Badle mein tere jo Khuda khud bhi de
Jannatein sach kahoon chhod doon

Tu hi savera mera
Tu hi kinara mera
Tu hi hai dariya mera

Khuda ka zariya mera
Tujhi se hota shuru ye mera kaarwan

Tujhi pe jaake khatam
Ye mera saara jahaan

Vaaste jaan bhi doon
Main gawaah imaan bhi doon
Kismaton ka likha mod doon.
