Vaazhkaiya vikka maata

Vaazhkaiya vikka maatan bettingula
Adhishtam vandhu vizhum en settingula
Impact sub gameula vantan therinjiko
Zone out ah suthinu irundha atti ulla

Sogam la eduthu vachan potti ulla
Slow move la vandhalu hero purichiko

Pooga pooga kaalam maarumey
Kanthidum paathai paarthu vaanam thoorumey
Nigalthidum kaayam kaalam paarthu kolla
Vaazhdhu paathaley

Vaazhkai vaazha azhaithidumey
Aada mazhai tharumey
Naalai naraithidumey

Vaazhkai maara vazhitharumey
Saaga suvai tharumey
Vaazhdhal purindhidumey

En neram seriya pogalana wall clock ah maathuvan
Ah manda soodu yeruchina tumbler vachi aathuvan
Korasolli thappikira goindhanga mathiyilaye oodraavan
Virusala ottavachi ozhaikura janaga mathila vaazhdraavan
Vittu kudthu poradhu en dictionary la illa

History la nikka, na kudthunurkan korla
Destiny ah list potu fix pantan modhlaa
Side quest mari prachanya suthamavey thodla
Suthi iruku chikkam, kudthuruvan fist bump
