

Dusri or bapu ne yudh ka
Naya yantar diya hai
Angrejo ko dharashahi
Karne ki khatir
Satya or ahinsa ka
Adhbut mantar diya hai
Dusmano ke jism par
Karna nahi hame parhar
Achuk nishana sadh karenge
Sidhe unke dil par war
Satyagrah ke age unko
Natmastak hona hi hoga
Chodkar bharat jayenge
Wo hoge bebas lachar

Vaishnav jan toh tene kahiye,
Jo peed parai jaan re
Dukh duje ka har kar bhi
Abhiman na man me ane re
Vaishnav jan toh tene kahiye,
Jo peed parai jaan re
Dukh duje ka har kar bhi
Abhiman na man me ane re

Jan manas ki jo kare badai,
Na kare kabhi burai re
Vachan karm mann pawan jinke,
Dhanay unki mai re
Vaishnav jan toh tene kahiye,
Jo peed parai jaan re

Lobh tyag sab ko sam dekhi
Lobh tyag sab ko sam dekhi
Par naari ko maa maa ni re
Jeewha kate par jhuth na bole,
Par dhan ko mitti jane re
Vaishnav jan toh tene kahiye,
Jo peed parai jaan re

Mahamaya se pare rahe jo ,

Varagya ho jinke man me re
Ram naam ke madd me
Pagal har tirth basao man me re

Lobh se dur ho jinke
Lobh se dur ho, kapat rahit jinke
Kam krodh na vyape deen
Kabi narashi darsan abhilashi
Jo pal me moksh dilawe re
