

Valeti Daaru Lyrics

Husn tera saaki saaki
Big booty babe sunti hai taki taki
Yo bohot teekhi like wasabi haanji
Tu seene pe gire jaise kamikaze

Mujhse zyada tere peeche paparazzi
I wanna get tipsy so more glasses
Aankhein teri jaana meri jaan ki pyaasi
Put your drinks up 'cause we came to party

Main suit payeya kaale rang da kaale rang da
Bazaar 'ch chann koi chaddoon
Panjeba chann chann kardi chann chann kardi
Jab chaloon toh bande maroon

Nain naini lake varge lake varge

Paani mein kise utaaron
Figure kartoos jatti da barood jatti da
Husn valeti daaru

Tu aafat hai tu aafat hai
Lachke toh kaala naag lage
Taapmaan badh jaata hai
Jab tu naache toh aag lage

Teri kamli jawani ka na tod
Jo bhi kar rahi tu kar baby aur
The way you go down laga ke poora zor
Tod degi lagta club ka floor

Don't hurt nobody when you move that thing
Ka se kamariya jab dj kare spin
Cha se chamakta paseena on the skin
Ga se gatak gayi pauni bottle tu gin

Fa se tu phasa phasa dress daale hai
Ha se hawa mein khule baal kaale hai
Ra se rangeele hum mizaaj waale hai

Baaki sab basic hum naam waale hain

Main suit payeya kaale rang da kaale rang da
Bazaar 'ch chann koi chaddoon
Panjeba chann chann kardi chann chann kardi
Jab chaloon toh bande maroon

Nain naini lake varge lake varge
Paani mein kise utaaron
Figure kartoos jatti da barood jatti da
Husn valeti daaru

Move that thing move that thing
Poori raat jaane jaana meri loop that thing
Na khatron se khelo hoga tera nuksaan
Zara bachke rehna if i lose that thing

Maneya karo maneya karo
Galliyan beganiyan na langeya karo
Jithon langaan main karwaan
La la la la chaaron paas

Na jatti de aase paas
Koi bhool that thing

Go shorty it's your birthday
Celebrate hoga tera birthday poore hafte
Opps ko hum pack kara ke bhejte baste
Rappers saare chalte kare badle unke raste

Tu jaan leti hans ke
Bahar tu mere bas ke
Kash lamba khincha tu aane lagge dhas ke
Raat ruk jao woh dene lagi kasmeyn

Pyaar se woh kehti mujhe
Daddy ji namaste

Main suit payeya kaale rang da kaale rang da
Bazaar 'ch chann koi chaddoon
Panjeba chann chann kardi chann chann kardi

Jab chaloon toh bande maroon

Nain naini lake varge lake varge
Paani mein kise utaaron
Figure kartoos jatti da barood jatti da
Husn valeti daaru

Husn tera saaki saaki
Big booty babe sunti hai taki taki
Yo bohot teekhi like wasabi haanji
Tu seene pe gire jaise kamikaze

Mujhse zyada tere peeche paparazzi
