Let the worries fade away o  
Chakk gilaasi chakk gilaasi  
Let my brothers drink today o  
Chakk gilaasi chakk gilaasi

Let the worries fade away o  
Chakk gilaasi chakk gilaasi  
Let my brothers drink today o  
Chakk gilaasi chakk gilaasi

Vallah  
Haye re haye re haye haye re  
Haye re haye re haye haye re  
Ain't nobody ain't nobody  
Jaise main aur tu

Vallah  
Haye re haye re haye haye re  
Haye re haye re haye haye re  
Ain't nobody ain't nobody  
Jaise main aur tu

Sham dhali to nain tere ni  
Hor v sohne ho jande ne  
Chann v terian siftan karda  
Taare pagal ho jande ne

Patlo banke agg hai firdi  
Bijli wangu saade te girdi  
Cock-tail to vad ke saroor a  
Matthe te jedi latt a girdi

Aye this friendship aint meant for  
Just a drink or two  
We're together aur koi chahiye hi kyun

Vallah  
Haye re haye re haye haye re  
Haye re haye re haye haye re  
Enii sohni enii sohni  
Bannke nikli kyu

Vallah  
Haye re haye re haye haye re  
Haye re haye re haye haye re  
Ain't nobody ain't nobody  
Jaise main aur tu
