

Vande Mataram (The Fighter Anthem) Song Lyrics

Khaab nahi ik jashan hai bharat
Rag rag mein hai jeet ki aadat
Aisa hunar dushman bhi salami de

Tu suraj hum tere ujaale
Tujhse juda nahi hone waale
Aakhir tak hum safar pe honge ke
Jai hind jo nas nas mein hai
Har baazi fir bas mein hai
Zid thaan ke hindustan boley

Sujalam suphalam malayaja sheetalam
Shasya shyaamalam vande maataram
Sujalam suphalam malayaja sheetalam
Shasya shyaamalam vande maataram

Na hi zameen na aasmaano mein
Na hi mumkin hai do jahaano mein
Jazbe iraade aur ye junoon
Bante hain dil ke kaarkhano mein

Pahunch gaye amber se aage
Dharti se phir bhi bandey hain dhaage
Rehte watan ki mitti se jud ke

Jai hind jo nas nas mein hai
Har baazi fir bas mein hai
Zid thaan ke hindustan boley

Sujalam suphalam malayaja sheetalam
Shasya shyaamalam vande maataram
Sujalam suphalam malayaja sheetalam
Shasya shyaamalam vande maataram
