

Vedana sangini hmm hmm hmm hmm.....

Vedana sangini laut aayi punah  
Vedana sangini laut aayi punah  
Purv parichit the hum yeh bahaana bhi tha  
Vedana sangini laut aayi punah  
Purv parichit the hum yeh bahaana bhi tha  
Hum bhi ashwast the usake astitva se  
Hum bhi ashwast the usake astitva se  
Aaj aaye ya kal usako aana hi tha  
Vedana sangini, vedana sangini

Preet ki waahini dard ki raagini  
Preet ki waahini dard ki raagini  
Swapn ki mallika, chitra ki tulika  
Anmana mann bahot vedana tivratam  
Anmana mann bahot vedana tivratam  
Dard ka geet gaakar sunaana bhi tha  
Vedana sangini laut aayi punah  
Purv parichit the hum yeh bahaana bhi tha  
Vedana sangini, vedana sangini

Sukh ke saaye woh chaahat ki parchhayiya  
Sukh ke saaye woh chaahat ki parchhayiya

Waqt ke taane baane hum bunate rahein  
Hum gire phir uthe uthake aage badhe  
Hum gire phir uthe uthake aage badhe  
Aayi aandhi ya tufaan chalana bhi tha  
Vedana sangini laut aayi punah  
Purv parichit the hum yeh bahaana bhi tha  
Hum bhi ashwast the usake astitva se  
Hum bhi ashwast the usake astitva se  
Aaj aaye ya kal usako aana hi tha  
Vedana sangini, vedana sangini.
