---

Vegame gathi thaalame  
Sirakalil nirayoo veeryamaay  
Poyidaan puthu paathakal  
Thirayidayidaraa choodumaay

Thaarangal pookkunna  
Vaaninte athirukale  
Thoo minnal sharangalaal  
Bhedhichu jayichu varaam

Vegame gathi thaalame  
Sirakalil nirayoo veeryamaay  
Poyidaan puthu paathakal  
Thirayidayidaraa choodumaay

Kannodu cherum kannil  
Enni theeraa mohangal  
Unnangal maathram minni ullin ullil

Poraatta kaalam ninne  
Kaikal neetti thedunne  
Munnottekkere kaatham thaandaanille

Thaazhaathe thalaraathe  
Veezhaathe izhayaathe  
Thoo verppin puzha neenthave  
Theeraathe adangaathe  
Nenjoram eriyunnu  
Chenthee polaalum swapnangal

Vegame gathi thaalame  
Sirakalil nirayoo veeryamaay  
Poyidaan puthu paathakal  
Thirayidayidaraa choodumaay

Thaarangal pookkunna  
Vaaninte athirukale  
Thoo minnal sharangalaal  
Bhedhichu jayichu varaam

Vegame gathi thaalame  
Sirakalil nirayoo veeryamaay  
Poyidaan
