---

Velle daare vele vese  
Teeram chereana ee kadhea  
Vorvaleni vastavana  
Vainamea marache kaalmea

Lolona regenu yevo jadule  
Avi kalaaniki edureedi poradithe

Muncheati uppenala kammindu meagham  
Uvvethu naludisala alley andhakaram  
Sage kala ika aagea dela  
Veedadhea nidura udayam chooseadela

Velle daare vele vese  
Teeram chereana ee kadhea  
Vorvaleni vaashavala  
Vainamea maarchea kaalame

Tanuvutho chuste thudhi teliseana  
Kanulatho kasthe kada cherena  
Manasanu maate mathi aunanuna  
Jarigina gadiyane maranam maapuna

Kanumallo loyallo gaallo dagi dagi
