---

Lagde aa change tainu bai-bai akhde,  
Ve velly tere pind de, velly tere pind de,

Teri jeep di awaz sun soneya main vekhe kine,  
Raule akhi khind de, raule akhi khind de,

Lagde aa change tainu bai-bai akhde,  
Ve velly tere pind de,  
Oh teri jeep di awaz sun soneya main vekhe kine,  
Raule akhi khind de,  
Teri tohar ne aa fan kareya,  
Ve main jind jaan hari payi aan,

Munde jatti utte lakh marde,  
Bharatlyrics.com  
Ve main tere utte mari payi aan,

Munde jatti uttay lakh marde,  
Ve main tere uttay mari payee aa,

Lagde aa change tenu bai-bai akhde,  
Ve velly tere pind de, velly tere pind de,

Ishqe de phul jede jobne de rut laaye,  
Pata mainu hauli-hauli pakkde,  
Par mere kolon luk-luk mileya ni jana,  
Tahin kehni aa ghade ton kaula chak de,  
Kehni aa ghade ton kaula.

Ishqe de phul jehde jobne de rut laaye,  
Pata mainu hauli-hauli pakkde,  
Par mere kolon luk-luk mileya ni jana,  
Tahin kehni aa ghade ton kaula chak de,

Oh kera vekh azma ke mitheya,  
Ve main pyar nal bhari payi aan,

Munde jatti utte lakh marde,  
Vay main tere uttey maree payee aa

Munde jatti utte lakh marde,  
Vay main tere uttey maree payee aa

Lagdey aa changay tenu bayi-bayi aakhde,  
Ve velly tere pind de, velly tere pind de,

Happy raikoti shad beparwahi,  
Hunde kudiyan de kole ghat mauke ve,  
Tainu te pata ae jaake laamb pind rehna,  
Din kattne hunde aa kine aukhe ve,  
Kattne hunde aa kine aukhe ve,

Happy raikoti shad beparwayi,  
Hunde kudiyan de kole ghat mauke ve,  
Tainu te pata ae jaake laamb pind rehna,  
Din kattne hunde aa kine aukhe ve,

Oh kite hor hi na bhua tor de,  
O kite hor hi na bhua tor de,  
Ve main ese gallon darri payi aan,

Munde jatti utte lakh marde,  
Ve main tere utte mari payee aa  
Munde jatti utte lakh marde,  
Ve main tere utte mari payee aa

Lagde aa change tenu bai-bai akhde,  
Ve velly tere pind de, velly tere pind de.
