

Velvet Flow Lyrics

Going for the legacy f*ck going viral
Naam banaa brand aisa maange indian idol
Ghar lage church aur passport hai bible
Akela hua bore to revive kiye rival

Maybach hai gaadi maybach hai eyewear
Drip hai sophisticated instincts hain tribal
Pange saare offline payment hai cyber
Khaana pina clean poora body maare fibre

V twin w mein leta kabhi I nahi
Ghadi hai mechanical dale isme cell nahi
Phone rehta silent pe baje kabhi bell nahi
You think youre a devil abhi dekha tune hell nahi

Hell naw tod tere bhai ka nahi

Tere baap ka kasur hai teri maayi ka nahi
Zamaana raha ye bhalaai ka nahi
Mera vazan kam hua meri likhai ka nahi

Doobmaro
Badboy og old school jaise umbro
Launde saare gaanon pe naache jaise bumbro
If you still hate on me f*ck you bro

Turn your fun into funeral
Rap tera juvenile, mooh tera urinal
Kabhi rm 005 fm kabhi cartier santons
Green dial arabic numerals

Mind chale jaise laga isme chip bro
150 ka crib bro dhai 2.5 ki hai drip bro
Ye to iceberg ki tip bro
Teri nayka hai meri teri kart kari flip bro

Main abhi bhi hun ill bro abhi bhi hun sick bro
Teri leke mile kick bro
Kutte ki tarah bhauk mat likh bro

Koodta phire tu you can jump on my d**k bro

Hotel lobby bani moshpit
Travel hua falcon badboy in the cockpit
Pilot bhi bole o shit
Take off bina license true story no shit

Wi fi make sure kare dealein saari sire chadhein
Verse likhun tight itni opps saare dheele pade
Patek phillipe boy heere usme neele jade
Kuch jal ke kaale hue kuch hater neele pade

Hath margeilla jacket ki jebon mein
Pair labelon ke ceo ke desk par
School ke baad kabhi fail ni hua launda
Dekh number kitne aate mujhe test kar

Sath bandiyan jo race unki guess kar
Bar mein liquor hain jo age unki guess kar
They already know badboy hai best par
Sab khelein jab tak badboy hai rest par

Meri verses mein mera lifestyle hai
Relate bhi ni kar paoge
Gruebel forsey tourbillion cardan
Calibrate bhi ni kar paoge

Teri jeet se zaada baatein haar ki meri
Celebrate bhi ni kar paaoge
Badboy ab kya laayega
Anticipate bhi ni kar paoge
