Chekkani talam veseda tai tai
Cheyyara natyam ditamditai

Dhidhi tadigida dhidhi tadigida
Dhidhi tadigida dhidhi tai

Takita takita dhimi tai tai tai tai
Takadhimi takadhimi ditham dithai
Takita takita dhimi tai tai tai tai
Thakadhimi thakadhimi ditham dithai

Venuvulo cherani galiki sangeetam leda
Velluvala tullina chinukulalo natyam leda

Okasari chudu manasuane
Kanupapatoti sariga
Hrudayanikunna musugulane
Tolaginchi dati ra

Pallaniki parina yetiki vayyaram leda
Akarama undani merupulaki
Taluku sogasu leda

Cheyyara natyam ditamditai

Dhidhi tadigida dhidhi tadigida

Venuvulo cherani galiki sangeetam leda

Okasari chudu manasuane
Kanupapatoti sariga
Hrudayanikunna musugulane
Tolaginchi dati ra

Pallaniki parina yetiki vayyaram leda
Akarama undani merupulaki
Taluku sogasu leda

Evaru pogidenani
Nemali adenata
Okari kosam ani
Poolu poostaya

Egirina gavvu rekka ningi nalupu chusi
Haddu antu aagipodhuga
Gundelona pongulanna kalayidi
Anakatta veyake ika

Chediri padina chiru muvvaina
Nisabhdanni cheelchutu mogunuga
Adugunapghi talli charipi raanema

Tadapadeti pasi padalaina
Nathaniki pattalu ani
Telusunkunte nee tanuvuloni
Prati kadalika bhangima kada mari

Antuleni o sandramalle
Neelona dagina natanalani
Anuvu anuvuna nimpukunta
Anandatandavam cheseyani

Ningilona meghala venukane
Lokam undhani jabilli
Nidurinchenante tana vennelantha
Cheekatipalai poda adhi

Kattadala stambala venukane
Kala undhani porapatupadi
Apamaku nee adugu adugini

Avadhulu datuthu nartinchani

Kaali andiyalu ghallu ghallu mana
Ganapati raja tai tai tai
Chekkani talam veseda tai tai
Cheyyara natyam ditamditai

Dhidhi tadigida dhidhi tadigida
Dhidhi tadigida dhidhi tai
Takita takita dhimi tai tai tai tai
Takadhimi takadhimi ditham dithai.
