

Verappa Lyrics

Mmm vaariya
Mavanukku kattalukka
Kanjaukku senjurukka
Seidhorukku seikodukka
Nannorukku nannarukka

Ye sadaarunu urumum vengai idhu
Un adaavadi adakkum aalu idhu
Boom padarunu vedikkum neram idhu
Karuppan varaan vazhi marikaathe

Verappa ezhumba yenni edaikku
Podum yeman inga paar yeman inga paar
Moracha therichi theeyum sedharum silent-u
Saathan padichu oottaan thalaimidhichu

Potta sulukku bottle than namakku
Kaatta adichu tata than unakku hey
Raththa thotta therikkum vetta kozhi kozhukkum
Ketta alarum paatha kola nadungum
Chotta pulippu avlo than unakku hey

Ye sadaarunu urumum vengai idhu
Un adaavadi adakkum aalu idhu
Boom padarunu vedikkum neram idhu
Singam vaayila thala kudukkathe

Ye sadaarunu urumum vengai idhu
Un adaavadi adakkum aalu idhu
