Vevela oohale chupina
Nee kathe sootigaa saagunaa
Paraaggaa poolane thaakinaa
Tupaakee sabdhame puttadaa

Kudi edamai tadabadinaa adugidi chudu
Gadabidagaa porabadinaa nilabadi chudu
Mathi chedina eda sadilo dadadada chudu
Chedugudu lona kalbadi aate aadu!

Kudi edamai tadabadinaa adugidi chudu
Gadabidagaa porabadinaa nilabadi chudu
Mathi chedina eda sadilo dadadada chudu
Chedugudu lona kalbadi aate aadu

Adigo thoota pelinde
Idigo raathe maarinde
Paruge theese time ey ledanthe

Kathalo malupe cherindhe
Kanuke munde leni vegam nede perigindhe

Fate aate aadinde

Won't you look at me
I keep standing here
No more running can
Take you safe from here

Won't you look at me
I keep standing here
No more running can
Take you safe from here

Vevela oohale chupina
Nee kathe sootigaa saagunaa
Paraaggaa poolane thaakinaa
Tupaakee sabdhame puttadaa.
