Ho koi langhda ni maar ke khangura balliye
Ni banda chitte diney kar dayia doohra balliye
Gun boldi ae ghat akh vadh boldi
Ni unjh raula rappa shehar vich poora balliye

Jado nikla main pauna pind naal turda
Jiven charhni hundi aa ni baraat jatt di
Ni bas eni ku aa billo gall baat jatt di

Ni bas eni ku aa billo gall baat jatt di
Eni ku aa billo gall baat jatt di
Ni bas eni ku aa billo gall baat jatt di ni

Oh sirre ton lai att tak
Pairan ton lai akh tak
Asle de batt tak
Oh lish lish kardi jawani nakhro

Sohne jahe rupaiye jeha
Ghaint jahe rawaiye jeha
Choti de gavaiye jeha
Kari firre dunia diwani nakhro

Bebe rakhe laad naal
Bapu rakhe thath naal
Lagdi haveli vi haye aap jatt di
Ni bas eni ku aa billo gall
Eni ku aa billo gall baat jatt di
Ni bas eni ku aa billo gall baat jatt di

Oh google karke vekh rakane
Taur kitey na munde jahi
Chobar utte linean mare
Kudiye tu marunde jahi

Teer vajjde aa nahio tukke vajde
Since birth subaah de thode rukhe vajjde
Ho kavy riyaz ture hathi aali chaal
Aah pith piche bhonkde jo kutte vajjde

Oh naam aa trend kre
Geetan vich end kare
