---

Ee apoorna veethikal  
Marupadi thedum ormakal  
Neer viralaal akame thodum pole

Paathi peytha maariyil  
Vida parayaathe moodalaal  
Mouna mukil vaanil nizhal pole

Oru rithu vazhi maarum  
Adayaalangal orthivide  
Orupolaliyaan urukaan  
Oli choodiya randuyirin  
Thirikal naam

Vijanamaam thaazhvaaram  
Thirikayo inneeeyanam  
Pularumo vaikaathe  
Imakale moodum raave

Ee kavil thadangale  
Thazhuki maranju neerkanam  
Neyoru thoo veyilayi thalodumbol

Ullmanal purangalil  
Ezhuthiya nooru vaakkukal  
Maanju kadal thira nee karerumbol

Puthumakal varavaakum  
Oru naalinte kaaladikal  
Ethirelkkukayo pathiye  
Alivaarnnoru saanthwanamayi  
Hrudhayame...
