Dachesuku unnanu gaa

Na choopu ni vaipu sageti darullo
Mohmatame apaga
Porapatu nadantu chepalo manalo
Yemthochatam ledhuga

Vinava vinava vinava
Vinava vinava vinava
Sandeham pampinche sandhesam
Vinava vinava vinava

Pedhavini vidi ranandi
Teramaruguna dagundi
Teguvani chupinchadey

Haramalikala todundi
Adugulu padalevandhi
Kadhalika lekhunadhe

Dhimaga ah revu kamesukuntu
Na gundelo cherina
Suridu navaipu rakudantu
Nenu aaputhunanu ga

Snehani koreti ni manchi mounani
Ee roju chusanani
Sankochamey teeri sankellane tisi
Neethoti chepalani

Vinava vinava vinava
Vinava vinava vinava
Sandeham pampinche sandhesam

Idhi varaku epudu leni
Irrukuna padi pothundi
Manasuki em thochadey
