

W Song Lyrics

Ye rapper sirf rap kare paise kamane ko
Main yahan kar raha for legacy
Judge ye karne baithe gaane ko
Youtube pe bhara hai negative energy

Dushman ki zarurat nahi apne hi log yahan kafi hai
Wahi log enemy
Cook kara studio mein raat din nahi
Chef par maange ye recipe

Pichla gaana ek din mein chaar million
Piche inke aag lagi hai ash bacha
Karu inhe poke ye maun
Sheak diss kare aur yeh wish kare
Inhe chod du main on mic bro soft lage
Dekho main kaun

Main woh jisse koi jeet nahi sakta
Andar toh dekh alexander the great
Conqure kar dala dil maine sabke
Ye aaye khali kare manipulate

Bane goat mere aage toh fir chadta bali
Bharatlyrics.com
Bakra eid lage jo bhi ghuse mere gully
Bane tyson rap mein soche mujhse bhaari
Beta bhari parhu inpe jaise mike pe ali

Yeh kare mujhe stare
Aur main chadu sare ladders
Likhawat jaise eminem every bar matters
Lyrically criminal punches on the bladder
Har mahine gaane barsau main na may weather

Main hu june aur jhulaye tere jaise neechे aur ghas
Marunga na chodunga na smoke jaise broadus
Proud ab honge abhi opps bhi likhawat pe
Maru khali chakke ye hai beta powerplay

Firse maarni toh bata teri kab lu
Le raha hate hai tu logo se main love you
Em ko dekhna chahte upside down
Dekho upside down toh bhi miley mujhe w

Ye karre paise kamane ko
Main yahan kar raha for legacy
Judge karne baithe hai saale ye gaane ko
Negative energy

Dushman ki zarurat nahi apne hi log yahan kafi hai
Wahi log enemy
Cook kara studio mein raat din nahi
Chef par maange ye recipe

Alhumdulillah sab uska mehar hai
Main billa tabhi toh yahan mera kehar hai
Khulla kehar hai yahan rakhte paer hai
Fut jaate ye surf kare hum yeh lehre

Dekhe chehre dard hai sehre
Karje lere masle gehre
Matt le be tu matlabi lagte log
Gaflati lat abhi matt kabhi padna bas vatt le be tu

Inke favorite ko haraya fir bhi kare dislike
Global pahuncha dala hindi ko i don't miss flight
Hype bhi na tiki kyunki yeh toh kare miss hike
Punjab se bhi kyunki mera sick vibe

Mere bhai baney north south east west
Beef time mere liye toh lage jaise recess
Fail hue mere aage dedo retest
Mere class tak aana toh gaane banao deepest

Inhe du main itne bar bhi kyun
Rappers roast kar dala jaise barbeque
Mere fans danger nikalre ye bahar bhi kyu
Khudko yeh kehte gangster par lagte barbie kyu

Khada hu mic pe kasam karne

Bina weapon zubaan se katal karne
Pehna hu ski mask kyunki main aaya hu
Khatam karke seedha dafan karne

Ye karre paise kamane ko
Main yahan kar raha for legacy
Judge karne baithe hai saale ye gaane ko
Negative energy

Dushman ki zarurat nahi apne hi log yahan kafi hai
Wahi log enemy
Cook kara studio mein raat din nahi
Chef par maange ye recipe
