

Kahin mile to use kehna
Gye dino ko bhula raha hoon
Wo apne waade se fir gya hai
Main apne waade nibha rha hoon
Teri yaadon mein dil ro raha hai aajkal
Mujhko ye dard mehsoos ho raha hai harpal
Kaise batau iss dard ko
Kaise chupau ashq ankhon ke
Kahin mile to use kehna
Na dil mein koi malaal rakhe
Hamesha apna khayal rakhe
Kahin mile to use kehna

Bechain sa hai dil
Bebasi ka hai darpal
Meri ankhon ko bas tera intezaar aajkal
Kaise batau iss dard ko
Kaise chupau ashq ankhon ke
Rukte nahi jo teri yaad mein hoo
Mar jayenge hum
Tere baad mein
Socha na tha kabhi mera dil bhi hoga darbadar
Teri yaadon mein dil ro raha hai aajkal
Kisko sunaye dil ka haall ye
Kaise chupaye apna pyar ye
Kahin mile to use kehna
Gye dino ko bhula raha hoon
Wo apne waade se fir gya hai
Main apne waade nibha rha hoon.
