

Wah wah re wah wah  
Wah re naujawan aaj kal ke  
Rang rup apna badal ke  
Eye dekho re dekho re dekho  
Re dekho re dekho  
Aa gaye bahrupiye  
Wah re naujawan aaj kal ke  
Rang rup apna badal ke  
Eye dekho re dekho re dekho  
Re dekho re dekho  
Aa gaye bahrupiye  
Wah re naujawan aajkal ke

Jite nahi marte nahi  
Kam koi karte nahi  
Jite nahi marte nahi  
Kam koi karte nahi  
Inki hai kahani yahi inki hai nishani  
Inki hai kahani yahi inki hai nishani  
Bikhri julfe or dupatte dhalke  
Wah re naujawan aaj kal ke

Haye sidha sadha chhora  
Ban gaya pardesi gora  
Haye sidha sadha chhora  
Ban gaya pardesi gora  
Haye sidhi sadhi nari  
Ban gayi tirchi katari  
Limoli imbal boli  
Pardesh se bahar nikal ke  
Wah re naujawan aajkal ke  
Rang rup apna badal ke

Jinki ye tahjib hai wo  
Aap hi pachhta rahe hai  
Jinki ye tahjib hai wo  
Aap hi pachhta rahe hai  
Wo idhar ko aa rahe

Ye idhar ko ja rahe hai  
Wo idhar ko aa rahe  
Ye idhar ko ja rahe hai  
Royenge ek roj hath mal ke  
Wah re naujawan aaj kal ke  
Rang rup apna badal ke  
Eye dekho re dekho re dekho  
Re dekho re dekho  
Aa gaye bahrupiye  
Wah re naujawan aaj kal ke  
Rang rup apna badal ke.
