

Wah re upar wale
Wah re upar wale
Wah re upar wale
Wah re upar wale
Liya kisi se diya kisi ko
Tere hai khel nirale
Wah re upar wale

Kya bole hum kya hota hai
Teri nazar ke aage
Kya bole hum kya hota hai
Teri nazar ke aage
Din mein bhi padte hai dake

Phir bhi tu na jage
Duniya bana ke bhul gaya tu
Duniya ke rakhwale
Wah re upar wale
Wah re upar wale

Koi karodo mein khele
To mange hai koi adhela
Koi karodo mein khele
To mange hai koi adhela
Khaya kisi ne halwa puri
Faka kisi ne jhela
Tan pe kisi ke ek langoti
Odhe hai koi do shale
Wah re upar wale
Wah re upar wale

Hum to teri katpuali hai
Jaise tu chahe nachaye
Hum to teri katpuali hai
Jaise tu chahe nachaye
Baitha gagan pe dekhe tamasha
Tera bhala kya jaaye
Aa ke zameen pe dekh kabhi to
Chand sitaro wale
Wah re upar wale
