

Wake Up Song Lyrics

I am jasmine
I am 23 years old
And I like to dream of
Who I wanna be

When I wake up
I dream of what my life could be
When I wake up
I can see when I am meant to be

Doesn't matter
What u see
Who you
Want to be

I am someone
Who has many dreams
I believe in
Where I should be
Only I know
What I wanna be
And I get there
If u let me be

No matter where I go
No matter where I am
No matter what you want
I'll always be me

When I wake up I will know
Where I am meant to be
But no matter where I go
I'll always be me
Ha...
I'll always be me
Hmm hmm

lyrics

When I dream of
When my life should be
Picture perfect reality
I hope of I will be that person
In my dreams
I ll keep my head high
And dream of no worry

No matter where I go
No matter where I am
No matter what you want
I ll always be me

When I wake up I will know
Where I am meant to be
But no matter where I go
I ll always be me
I ll always be me
I ll always be me

No matter where I go
I ll always be me
I ll always be me
I ll always be me

Who I wanna be
I ll always be me
