

Walid Song Lyrics

Kujh kamm jehde mumkin hon munasib nai hunde
Jo kharchile hon oh aksar kaasib nai hunde
Khandaan de sir te jehda sitaare launda ae
Oh mehnat di bhatti vich angiyare launda ae

Pareshaniyan na vadhaya karo
Ke sadheyen bina vi tan jaaya karo
Zarurat nu dassna jaroori tan nai
Nigaahan ton kayafa vi laaya karo
Pareshaniyan naa vadhaya karo

Walid supne dekhe tu poore karde
Tu fikkiyan tasveeran de vich rang bharde
Walid supne dekhe tu poore karde
Tu fikkiyan tasveeran de vich rang bharde

Hunar nu vi khud hon hairaaniya
Tu ronak ch badli eh viraaniyan
Kade na visari apaad-e-fikar
Ammi de vaseele te kurbaaniya

Udaasi nu vi tan hasaya karo
Eh jazbe zara roshanaya karo
Zaroorat nu dassna jaroori tan nai
Nigahan ton kayafa vi laaya karo

Walid supne dekhe tu poore karde
Tu fikkiyan tasveeran de vich rang bharde
Walid supne dekhe tu poore karde
Tu fikkiyan tasveeran de vich rang bharde

Umeedan di sunni ae sinjh le zameen
Ke supne jo dekhan tere waaldeen
Eh khaaba di tameer mushkil nahi
Kise di dua te je karle yakeen

Fer kismat nu vi aazmaya karo
Tali te saro vi jamaaya karo
Zaroorat nu dassna jaroori tan nahi
Nigahan ton kyafe vi laaya karo

Walid supne dekhe tu poore karde
Tu fikkiyan tasveeran de vich rang bharde
Walid supne dekhe tu poore karde

Tu fikkiyan tasveeran de vich rang bharde

Ohna di khushi jad tamanna bane
Fer takdeer banno tu banna bane
Jo maape hamesha ton chaunde ne tu
Oh khush haal zindagi da panna bane

Ohna naal behke vi gaaya karo
O sartaaj dukh sukh vandaya karo
Zaroorat nu dassna jaroori tan nahi
Nigahan ton kayfa vi laaya karo

Kujh kamm jehde mumkin hon munasib nai hunde
Jo kharchile hon oh aksar kaasib nai hunde
Khandaan de sir te jehda sitaare launda ae
Oh mehnat di bhatti vich angiyare launda ae

Pareshaniyan na vadhaya karo
Ke sadheyan bina vi tan jaaya karo
Zarurat nu dassna jaroori tan nai
Nigaahan ton kayafa vi laaya karo

Walid supne dekhe tu poore karde
Tu fikkiyan tasveeran de vich rang bharde
Walid supne dekhe tu poore karde
Tu fikkiyan tasveeran de vich rang bharde
