

Wallah Song Lyrics

Haan bhagwan ko pehle rakhte hum

G g

Insaan waise bhi dhokebaaz hai

Gang gang

Inshallah, masha allah

We made it this far

We put in the work

We are shooting for stars

Praise be the god

Inshallah, masha allah

We made it this far

We put in the work

We are shooting for stars

Praise be the god

Wallah hi wallah hai

Wallah hi wallah hai

Wallah hi wallah hai

lyrics

Sab mera ek number
Wallah hi wallah hai
Sab mera ek number

Kaun likhta lakeer kiska ka hai hath
Kaun kitna gareeb kaun karega raj
Kaun kitna wazir kaun pehnega taj
Kitne sawaal nahi milte jawaab
Maine socha tha bhai wo nikle the saap

Agar sahi mein the bhai na jaatey khilaaf
Yahan pohcha hun khudse haan khud ko salaam
Bhai tera hard, chahiye bas pyaar
Aaja fir khulle mein ladte hai
Tu don tere ghar pe hai kisi se na darte hai

Bohot saare chadhne lage sar pe
Yeh chakar ko pakad ke takkar se barte hai
Bb yeh flow, hustle hum bhasad nahi karte hai
Fokkat ka khana ye fasal nahi karte hai
Bhai bol diya fir sahi mein hum marte hai
Dhokhebazon ko hum pasand nahi karte hai
Chal chal chal

Inshallah, masha allah
We made it this far
We put in the work
We are shooting for stars
Praise be the god

Inshallah, masha allah
We made it this far
We put in the work
We are shooting for stars
Praise be the god

Wallah hi wallah hai
Wallah hi wallah hai
Wallah hi wallah hai
Halla hi halla hai
Halla hi halla hai

Sab subahnalla hai
Sab subahnalla hai

Wallah hi wallah hai
Wallah hi wallah hai
Wallah hi wallah hai
Halla hi halla hai
Halla hi halla hai

Sab subahnalla hai
Sab subahnalla hai

Wallah hi wallah hai
Sab mera ek number
Wallah hi wallah hai
Sab mera ek number
Wallah hi wallah hai
Sab mera ek number

Bijli gayi mombatti jalao
Khane mila phir baatke kao
Jitna hazam hai bas uthna chabao
Namak pighla de gehra hai ghaav
Chati hai saaf bas chehre pe ghaav
Jungle kitaabein haan gehre mein aao
Tu kabka hara ab mere pe daao
Mai bhi nahi jeeta toh koshish hai bhau
Mera kyu dektha tu jyotish hai bhau
Action nahi tu bas show-peice hai bhau
Kutta hai moti toh patthar barsao
Insaani moorti pe moti chadao
Kya zamana bhau
Majdoori mehnat ko haq ka kyun milta nahi bhav
Majboori mehnat pe sona barsao
Kya zamana bhau ab tum hi batao

Inshallah, masha allah
We made it this far
We put in the work
We are shooting for stars
Praise be the god

Inshallah, masha allah
We made it this far
We put in the work
We are shooting for stars
Praise be the god

Wallah hi wallah hai
Wallah hi wallah hai
Wallah hi wallah hai
Halla hee halla hai
Halla hee halla hai

Sab subahnalla hai
Sab subahnalla hai
Wallah hi wallah hai
Wallah hi wallah hai
Wallah hi wallah hai

Halla hi halla hai
Halla hi halla hai
Sab subahnalla hai
Sab subahnalla hai

Wallah hi wallah hai
Sab mera ek number.
