Mainu marjani nu ve kamba chhirya
Haye mukh murjha gaya jehra si khirya
Ve ghare gayi nu larugi meri maa
Puchugi kehre dhang tut gayi

Kaada ghutt ke fari tu meri baanh

Haara ve meri vang tut gayi
Kaada ghutt ke fari tu meri baanh
Channa ve meri vang tut gayi
Channa ve meri vang tut gayi

Ve nikki jehi jind nu tu aivein hi sutayi gaya
Milan bulayi gaya jaan meri khayi gaya
Jaan meri khayi gaya

Jadon puchya ke gale lag jaa
Ve sangdi di sang tut gayi
Ve enni ghutt ke fari kyon meri baanh
Channa ve meri vang tut gayi

Ve enni ghutt ke fari kyon meri baanh
Haara ve meri vang tut gayi
Haara ve meri vang tut gayi

Meriyan main teri channa
Rakh tu daleri channa
Hath le ja mang ke ve
Ho na jaave deri channa

Ve tainu aakhdi paiyan jatta
Aakhenga meri mang chhut gayi

Kaada ghutt ke fari tu meri baanh
Haara ve meri vang tut gayi
Kaada ghutt ke fari tu meri baanh
Channa ve meri vang tut gayi
Channa ve meri vang tut gayi

Sense-bense hoya ve shudayi kaaton firde
Haye mere pichhe lainda ve larayi kaaton firde
Tere naal jatta kaadi aukhi bhaari ho gayi
Ve matthe te tiuriyan tu payi kaaton firde

Na ve edda nahi karida na na
Ve chal saadi jang muk gayi

Enni ghutt ke fari kyon meri baanh
Enni ghutt ke fari kyon meri baanh
Channa ve meri vang tut gayi
Channa ve meri vang tut gayi
Channa ve meri vang tut gayi
Channa ve meri vang tut gayi
