

Yeah, yeah, ah!

I'm feeling super  
Dono haath upar  
Nahi fikar hai kisi ki  
Jo bhi kehta kehta mooh par

Mere saath mera gang boy  
Hum club karein bang boy  
Seedhe saadhe hain thode se  
Hum kaafi zyada flamboyant

Yeah boy..

Sab yaar hain saath mein  
Aur duniya hai rakhi jaise pocket mein  
Nahin aane wala haath main  
Main sabse tez jaise  
Baitha hoon main rocket mein

Main hoon ek artist  
Aur chill karna mera art hai  
Abhi toh kaafi kuch hone wala hai  
Abhi toh party hui just start hai

Hey...  
I wanna be free  
I wanna be free  
I wanna be free  
I wanna be free  
I wanna be free

Mera sir gaya khapp  
Ab daalenge khapp  
Bharatlyrics.com  
Abhi nahi toh kab  
Baithe baithe ho gaye bore  
Ab karna hai thoda sa shor

Na koi hadh  
Na koi condition

Bas celebration  
Bina matlab bina occasion  
Every city every nation

Say what say what  
Say when say where  
Bolo kya hai scene  
Mere saath hai mera crew  
They don't party like we do  
Na we don't care  
Na we don't care  
Hum bilkul cray  
Humse panga na koi le  
Haath utha ke everybody say c'mon

Hey...  
I wanna be free  
I wanna be free  
I wanna be free  
I wanna be free  
I wanna be free

Put your hands up and party  
Iss bajti beat pe  
Put your hands up and party  
Laga ke repeat pe  
Put your hands up and party  
Iss bhaari bharkam beat pe  
Put your hands up and party  
Laga ke repeat pe c'mon

Hey...  
I wanna be free  
Hey...  
I wanna be free  
Hey...  
I wanna be free  
Hey...  
I wanna be free  
Hey...
