

I wanna keep on loving
Loving loving loving loving you
I wanna keep on loving
Loving loving loving loving you

I wanna keep on loving
Loving loving loving loving you
I wanna keep on loving
Loving loving loving loving you

Karvate badal badal thak gayi
Rat bhar aankhe tehalti rahi
Khwabo ke naye naye
Naye thikane dhund kar

Tu he kaha zara
Kabhi bolade
Tera pata dil me
Mere chhod de
Mil kabhi teri meri
Sari mohabbat odh kar
Pagal dil be akkal he ise
Jabse tumse ishk ho gaya
I wanna keep on loving
Loving loving loving loving you
I wanna keep on loving
Loving loving loving loving you
I wanna keep on loving
Loving loving loving loving you
I wanna keep on loving
Loving loving loving loving you

Kuch yuhi majbur ho
Dono ishk mein chur ho
Teri baho mein khula kare
Yuhi dillagi ke siva

Ho teri meri sab aahate
Gungunati rahe chahte
Ekdujeme shumar
Ho ishk se ho bade

Yaad ka dhoka teri aur gaya hai

Is pal ka dil ka rog naya hai
Rog naya hai rog naya hai

Palbhar chin ye asar rene de
Dil ka do palbar asar chalane de
Khusmati se ab ye pyaar haua hai
Pyaar haua hai pyaar haua hai

Ho rangata he teri tad ye
Kehta he ik bat ye
Masti ke dastan tum
Chalo hum chale

In lamho me bandh kar
Sab dil mein utarkar
Chahato ke har chowk par
Tum chalo hum chale
Chalane do sath sath
Pyar dil ka fesala ho gaya
I wanna keep on loving
Loving loving loving loving you
I wanna keep on loving
Loving loving loving loving you
I wanna keep on loving
Loving loving loving loving you
I wanna keep on loving

Loving loving loving loving you

Karvate badal badal thak gayi

Rat bhar aankhe tehalti rahi

Khwabo ke naye naye

Naye thikane dhund kar

Pagal dil be akkal he

Ise jabse tumse ishk ho gaya

I wanna keep on loving

Loving loving loving loving you

I wanna keep on loving

Loving loving loving loving you

I wanna keep on loving

Loving loving loving loving you

I wanna keep on loving

Loving loving loving loving you.
