

Meri talaash miujhe le  
Chali hai mazi mein  
Tum hi bataao main khud  
Ko kaha talaasah karu  
Pighal pighal ke sada  
Imtehaan ke aatish mein  
Wajood dhal gaya mera  
Ajeeb sanche mein  
Wo ek wajood jo rishto  
Mein kho gaya hai  
Usi wajood ko phir  
Se kaha talaash  
Tarashna hai naya  
Ek mujhsama ya phir  
Main apne gumshuda  
Hisso ko phir talaash karu  
Tum hi bataao main khud  
Ko kaha talaasah karu

Sawal yeh hai ki tum se  
Hi kyun mukhatib hun  
Chalo bataau tumhe  
Tumse kyun sawal kiya  
Tum hi pe aake ruka tha  
Mohabbato ka safar  
Tum hi ho aakhri  
Pehachaan mere hone ki  
To kyun na tumse hi shuru  
Ho ye wapsi ka safar  
Tumhare pyaar ke badle  
Jo pyaar tumko diya  
Meri wafao ne jo  
Ikhtiyaar tumko diya  
Wo ikhtiyar jo tumne  
Kafas mein dhaal diya  
Usi kafas se rihaai hai  
Ibtedaa meri  
Tumhare naam kiya tha  
Jo umra ka hissa  
Yeh iltja hai meri
