

War Lyrics

Agar war chahey duniya toh war he diwangay
Agar dekhni hai taur tor ab taur he diwangay
Ab hath karo upar baju tob ke diwagay
Inke sir chabha lalach sir ab phod he diwagey

War chahey duniya toh war re diwangay
Agar dekhni hai taur toh ab taur he diwangay
Ab hath karo upar baju tob ke diwagay
Inke sir chadha lalach sir ab phod he diwagey

Pehle samaj ni ara tha par aya samas der se
Ye titpunjio saley ko problem kya thi mere se
Me samaj toh jata tha jealousy hinke chehre se
Ye peeth peeche bolte samne gungay bhere se

Pakane me koi sath ni khane ko bethe pekle se
Paroso inko thali me varna karen gay jealousy

Ab mujhe he blame karey kime galat tha pekle se
Kaise se tum ho aadmi jo bik te ho paise se

Niyat meri saaf thi isliye kbhi hara nai
Akela he jeeta hu kisika koi sahar ni
Dalley saudebaazo se ab kol bhai chara ni
Apni mehnat kah sab rott cheen ke me khara na

Geet phatey bum banke up ho ya dharavi
Shaktiyaan mili vardaana paya mayavi
Aau me toofan banke varna rahu gayab he
Seedhe muh baat karuiske toh tum layak ni
Binna izzat gana dedu itna chota gayak ni
Main paise leke shaabiyon me nachu koi tawaif ni
Kalakaar aadmi par glamour meri life ni
Agar loyalty ni blood me toh tu bhi meri type ni

Agar war chahey duniya toh war he diwangay
Agar dekhni hai taur toh ab taur he diwangay
Ab hath karo upar baju tod he diwagay

Inke sir chabha lalach sir ab phob ke diwagey

War chahey duniyatoh war re diwangay
Agar dekhni h taur toh ab taur he diwanga
Ab hath karo upar baju tob he diwagay
Inke sir chabha lalach sir ab phod he diwagey

Bete 1-2 ni diye hit dera hu har saal m
Jab tum the chotey bache tabse machara bawaal m
Aise bhii log jinke liye hu misaal m
Aise bhi log jinke liye hu har haal h
Aise bhi the log jinke lye bana kaal h
Aise bhi the log jinke bhusa bhara khaal h

Aise bhi gawaye h jo gatey ni the taal m
Ganey bajte h delhi m ganey baste nepal m
Ganey bajte huk m ganey baste bhopal m
Hum har state country ko cross kar bethe
Har aadmi jitaya jisne sath kaam kara
Aisi koi company ni jiska loss kar bethe
