

War Song Lyrics

Ho pehredari teri karn stena 15 je
Asi vi billan vichon kad kad vairi maare
Eh kut kut vairi karde jaago de chajj warga
Jehra shang aake na firna khamb khilare

Moddeyon lakk vall nu galwakdi hundi rondan di
Vajjde saar charhade israel tigade
Ho takni takhat hilave aabo hawa badalni ae
Dehi dekh na samjhli jigre pakhon maarhe

Ho jad maut rikasa banke muhre nachdi ae
Bande aam ni hunde chad de jo jaikaare
Ho gun culture rehnda jithe poore joban te
Othe sochi da ni fullan di kaashat baare

Jehri keran tokke wange sade ulat challe
Rehndi koon jogi na jeeba oh dobare
Ho jad laa ke chaante chadde collaron vigreyan nu
Eda udd de jidan hathon ginn si gubare

Ho jungle beleyan de vich hon kade samjhote na
Vairi mitt na hunde hathan baajh karaare
Ena soolan ne das sanu ki thirkaona ae
Sade sabar ton poore vaakif rambiyen aare

Ho ginti vaahva ee aa jo vairi sade naal arhe
Karke nafrat hoge allah nu piyare
Bhathi waqtan di bande nu thos bnondi ae
Baney na tej dimagi khake giri shavare

Uthe talab talashi karda pagga lafzan di
Haole akhran naal na kitte varke bhaare
Kuj aisa karke ruksat hovange dunia ton
