

Parivaar hai ye
Oh yeah!!

Go

Jese utaahi 10 number joote ka
Aaya kon har banda ye puchega
Gali gunjega, hoga koi ladka
Ye galat hi sochega, aisa jo sochega
Dekh kon beta darwaja pe kahda
Kahlbali macha thodi, fatafat aankh khol
Pehle pehele aage-aage pair mer chuh le
Har baat pe guru mai tera
Mujhe parnaam bol

Youtube pe hai dekhe hai maine tere gaane
Khud saala khas nai
Sab saare aam bol
Naam se bhi ruburoo tu hoga aur
Naam mai kya rakha, bete kaam ko salaam bol

Mera dur kaam mere khud mujhe lage
Harr jagah bethe bade waarish hip-hop ke
4 log piche video dron wala
Bahar ki shooting view mile top ke
20 lakh view par jaane na koi
Tera swag ye kardu do chaato mein tikh
Khel tune khela maine khel ke chora
Mujhe sab pata bete, i won the shit
Sab muh miya mithu
Picture ke hero, apni putai mai lag rahe hai
Sabb rapper parivar bante hai kamre jabtak
Rapper nahi aata kamre mai, yo

Ajj tere jyda oho bhar de nahi
Appan hath jor lainde par darde nahi
Khud koi chale appan kadd denge hall
Teinu behju kehaa

Ho gaya appna shuru hund naiyon rukhna
Abhi to yeh warm up hai

Warm up hai
Warm up hai
Yeah...saanu dekh ke aapana khun sukhna
Abhi to yeh warm up hai
Warm up hai
Warm up hai

Tune mera gaana hata di
Tujhe aadhi baat batani
Tu dekhta hai mere hi sapne
Dekhe the raate deewani

Dekh mere break fail hone wale hai (kyun)
Par baby ke shikan hone wale hai
Aadat hai meri, aafat macha
Hum tujhe dekh dekh sone wale hai

Mai hu brazzar bukhaa
Na rukta, na ruk ja tu
Aaj ruk ja
Raaz khulenge paas bula
Pile sharaab jahaz udda
Akela to itna udash khada
Le le saala ilaaz kara
Harjas ka poora harama hua
Haaye tere sath kya karma hua
Le... ,mai jese jadugar
Ja tu ghar. Mai jadugar
Disco mai jaake
Nazar hai meri teri baabu par

Pehle rakho muh pe haath mere naam ka
Jaapo fir baabu mar
Bhooka mai betha hu
Us rapper ko nachaunga kha khu kar

Ajj tere jyda oho bhar de nahi
Appan hath jor lainde par darde nahi
Khud koi chale appan kadd denge hall
Teinu behju kehaa

Krsna hoga in chote mote rappero ka baap
Maine inko pala posha
Dekhenge mehenge shows
To banata dost lekin
Naye firoz leke aaya hai
Aise lage roller coaster

Kitno ke pehle video kari hai maine
Kheli ay thodi maine pi liya
Khele show no love
Lambi badi sidhi
Jo dekhi hai maine video
Jalle ye jagade mujhe ye josh ab
Gully gang chori maine
Kiske kabhi mera credit na aaya mere hisse
Saalo mai darzan se maare maine
Coruse bani hai love mujhe milke

Beta jaake bhaag
Apni maa ke paas
Tere to raat meri baate kaafi khaas hai

Karo maza aaj se
Milega mere raaz
Maiu hu sekh par mera koi lagta ay ilaaz hai
Jisko bhejna hai bhej do

Yaha get money never save more
Dnh gang bole gap mere saare shows mere
Tere mushkil se ek do
Mere liye sar dard na kharcha

Team mere sath harjas aur karma

Ajj tere jyda oho bhar de nahi
Appan hath jor lainde par darde nahi
Khud koi chale appan kadd denge hall
Teinu behju kehaa

Ho gaya appna shuru hund naiyon rukhna
Abhi to yeh warm up hai
Warm up hai

Abhi to yeh warm up hai
