

Wasted Song Lyrics

I'm drinking now
I'm so wasted
I've had 3 shots of jd
Bharatlyrics.com
And 4 rounds of gin
Some jagermeister in my belly
I'm about to win

I'm freakin drunk
I'm so wasted

Tequila in the glass
Lime and salt in the hand
Just put it in your system
You are the strongest man

Ah ah aaaha

I m sober now
No thats a lie
Im so wasted
I see colours in the sky
My head is spinning round

Sombody help me now
Im falling to the ground
Im freaking drunk

Oh noo... Im so wasted

Take my order...

I wanna last shot of whiskey,
And a beer to chase
Take that absinthe and pour
It all over myface.
