Aah section 12 sadde naa diyan vartiyan ne
Sadde modde chakiyan raflan ya bas arthiyan ne
Sadde layi tan badle hunde waang tyohaaran de
Jinna chir ni hunde poore ghar koyi varhda nai

Hoke tagde raheo ailaan ae mera vairiyan nu
Thonu jiyon ni dinda jinna chir main marda nai
Jeh thode hatthe aa geya tan mainu bakhshoyo na
Jeh mere hatthe aa gaye tan main chad da nai

Main suneya thode kol vi bande bahut samane ne
Sadde kol vi thartti korean made jungane ne
Jeh ho gaye taakre sidhiyan mathe nu aon giyan

Kitti aa maar dikhaun joga munh nai
Jatt banda main koyi manda nai tune
Vairy poora ho jaave paivein aidda moon ae

Aish vich raat kattan soo ke saver
Turda gali ch jivein turda ae sher
Kade vi gulaami mainu honi ni qabool

Rule ae rasool mera ek hi ae wajood

Mukke dushman nahi mukke aa barood
Nikle jaloos bataun tujhe loot
Nibhdi ni saccheyan di sareyan naal
Meri karpaan kahe mainu aar ya paar

Fajarr puraani, yeh fajarr puraani

Ho paake poster jeha na raheo na aivein udeekan te
Har charhde mahine miluga court tareekan te
Ho jitthe chit kita othe aa ke jadd vi takkar leyo
