

Wavy Lyrics

Picchhe dekh ke kataar
Naddi karke pyaar kehndi
Hun neend nai aundi
Pachtaundi tu laa ke yaari
Jattaan de munde naal
Phire roundi ni

Ni gaddiyaan track te
Munde toliyaan bana ke ni sandh back te
Ni thukda ni modde te spit karaa mack te
Ki meri mehak te main hikkaan vich vajda aa

Bhaukti aa back te kyon samajhi nahi aundi
Pata chohndi tu laake yaari
Jatta de munde naal
Hun kehndi fire neend ni aundi

Chakka roti band ke te vairi rakha jhand ke
Bade sanu nind de te bade sanu bhand de
Eh yaar mere sandh de zuban sambhe
Yariyan te vairi thalle dand de

Aivein ni jama launde
Na hi aunde gali ch baha hath ni fadaunde
Tu hath ni chadaundi
Pata chohndi tu laake yaari
Jatta de munde naal
Hun kehndi fire neend ni aundi

Hath paye aa udhde rakane bhale rough ne
Thode tough ne utte nu tahi culf ne
Karaiyan palm readingan
Na khed de bluf ne

Hechran de jogi aa te jodiyen ch sanp ne
Mehle aale dekheya tu dehle aale dekhe ni
Hun aale dekhe aa tu pehle aale dekhe ni
Sohniye gharale ton amreeka mere yaar ne

Punjab aale dekhe aa tu la aale dekhe ni

Main calf gore rang te tu lave gulkand de
Vairi nu hara ke kara chaud biba khand de
Ni taavi rehnde bhande ni sanu baad ch milda
Pehla ne yaar vand de

Mahol pura wavy haye wavy tu paave kaala suit
Kade kade paave navy tu roz azmaundi
Pata chohndi tu laake yaari
Jatta de munde naal

Hun kehndi fire neend ni aundi

Tapavan sidhe borderan ton raundan diyan ghaghraan
Naa main na karan qadraan na main na manna orderaan
Jitthe raat peh jave bicha ke so ja chadraa
Ni botel ki sheh aa laake deek pee ja saagran

Ki na pauna chhdd gi chunni te launda sippyiaan
Sikhhi mere karke punjabi diyan lipiyan
Mathe da tikka bhul gi rakane mere pyar ch
Ni kive yaad kariyan tu bhiddiyan te tippiyan

Saari na raat saundi gunn gaundi
Main hath ni fadaunda tu hath ni chadaundi
Tu booha khadkaundi

Pata chohndi tu laake yaari
Jatta de munde naal
Hun kehndi fire neend ni aundi
Pachtaundi tu laake yaari
Jatta de munde naal
Hun kehndi fire neend ni aundi

Ni gaddiyan drag te munde tolliyan
Banake sandh back te main fookda ni
Modde ton split karaan mag te

Lagge meri mag te main hikkaan vich vajda
Bhukde aa back te kyon samajh ni aundi

Pata chohndi tu laake yaari
Jatta de munde naal
Hun kehndi fire neend ni aundi
