

We are made for each other
Suno ae jaane jigar
We are made for each other
Suno ae jaane jigar
Ke pahen ke sajugi mein
Garden ki saari palang
Tere pyaar mein pehnunga
Shooting be multi sanam

Hame bante deewana
Dekhega zamana jaane jaana
We are made for each other
Suno ae jaane jigar
We are made for each other
Suno ae jaane jigar

Dekh dekh dekh tujhko
Mushku rayenge ha ha
Colgate se phir hamare dant
Cham chamayenge
Ho dekh dekh dekh tujhko
Mushku rayenge
Colgate se phir hamare dant

Cham chamayenge
Jab subhako milengi
Hum mahekte phirenge
Old spice ki mahek se
Niviya lagake hum
Kyaa lagenge socho sanam
Niviya lagake hum
Kyaa lagenge socho sanam

Hame bante deewana
Dekhega zamana jaane jaana
We are made for each other
Suno ae jaane jigar
We are made for each other
Suno ae jaane jigar

lyrics

Dhoop mein main launga
Umbrela sun brand
Aur tujhe pilaungi thumsab
Chal ke san and sen
Dhoop mein main launga
Umbrela sun brand
Aur tujhe pilaungi thumsab
Chal ke san and sen

Tujhe bhookh jab lagengi
Jarahona na fikar mannd
Ke main launga kahi se
Tera amul shrikhand
Jo kabhi hoga jhukaam
Coldari kare gi kaam
Jo kabhi hoga jhukaam
Coldari kare gi kaam

Hame bante deewana
Dekhega zamana jaane jaana
We are made for each other
Suno ae jaane jigar
We are made for each other
Suno ae jaane jigar

Ke pahen ke sajugi mein
Garden ki saari palang
Tere pyaar mein pehnunga
Shooting be multi sanam

Hame bante deewana
Dekhega zamana jaane jaana
We are made for each other
Suno ae jaane jigar
We are made for each other
Suno ae jaane jigar.
