

We Good Lyrics

Ankh ill jahi rakane agge fail ne radar
Challe zindagi naal jung na tu miss call'an maar
Saddi vadh'di tarakki kitthe chadh'de bukhar
Kittho rakh laange dil challe sahaan da vapar

Check karde detail kittho tak aaya naam
Hun dekh lyi tu luck sadda challu shareaam
Jatt jand te shatir sadde vairi jhandu baam
Sadda rakha utte aala naam laiye subah shaam

Eve maardeyan fire saale fokke ne
Rabb di mehar kamm okay ne
Chamke sitare tere koke ne
Rabb di mehar kamm okay ne
Chamke sitare tere koke ne

Nishane sidhu sinn ke tikaneya te maare
Ni jatt firde dikhaunde dine taare ni
Fayda ki dass jamme putt maa de jaaye da
Dudh peete jaye de na karde utaare

Jaani bolni lavake jine jine maadi kiti
Aape kar du nabede saddi jide naal pariti
Ankh kadd de aa bol zeher firde aa peeti
Na koi aasa paasa hon saddi challu hadd biti

Saddi raga vich fateh na koi dila ch guman
Jede chhdd ke gaye aa ohna da hi nuksaan
Gall lakh paar jaave jehra chaki da saman
Baaji modni aundi aa enni dauleyan ch jaan

Vaghde varode kine roke ne
Rabb di mehar kamm okay ne
Chamke sitare tere koke ne
Rabb di mehar kamm okay ne
Chamke sitare tere koke ne

Sadde hunde na kari tu 911 dial
Kille taun chon kaddi de aa hi ik do k vail
