Tab hum unse yahi kahenge
Jab wo jab wo hamse hamse puchha karenge
Tab hum tab hum unse unse yahi kahenge
Ke waqt us naam se hi jaana jaayega
Ye waqt us shaks ka hi to kehlaayega
Suna suna jag saara suna suna tere bina
We lived in his world we lived in his time
He was the sound of our music and our lives
Na hoga koi phir aisa kahi
He was the sound of our music and our lives

Raah hui suni suni si ki
Har ek lamha nam hai naam hai
Subah me roshni kam hai
Sur ho gaye khaali khaali se
Ki har ek lamaha nam hai naam hai
Subah mein roshni kam hai
Yaad rahega hamesha se wo
Sangeet ko aawaaz de gaya
We lived in his world we lived in his time
He was the sound of our music and our lives
Na hoga koi phir aisa kahi
He was the sound of our music and our lives

We lived in his world na hoga koi
We lived in his time phir aisa kahi
He was the sound of our music and our lives
We lived in his world we lived in his time
We lived in his time he was
