Sade gaddi vich dekh ki bro aa
Sade patt nal dekh ki ni loha
Bharatlyrics.com
Tahi patthar bnne aa pye dil ni
Kitta pathran nu paadke grow aa

Bs khddiyan kde ni akhan Iddiyan
Sade kamm ni graariyan ne addiyan
Bann lyi diyan jattiye swag nu
Na kde time dekhea te nahi ghaddiyan

Note shaape te shappdiyan ne khabran
Time kadran sikhaagea nale sabran
Jehde app ni rkaane lai sakde
Sade rkhde najaarean te nazran

Shonk uche aa tahi tan caran uchiyan
Jatt badshah te verry saale dukkiyan
Ik number aa kamm dooji gall ni
Ik number aa kamm dooji gall ni
Ik number pairan ch pawa gucciyen

Ghode daakh range kaathiyan ne kaaliyan
Do muha aliyan ne do dunaliyan
Ik dang di khaaiye ni chaa ch baalke
Ni tu jinne ch karake lyaai waliyan

Haase bullan te jdde aa koke dang ch
Mundi pawage ki rakhea gulaab ch
Jado mood hoea lai jage ni dasdi
Tere bhrke sandhoor kude maang ch

Thoda ziddi aan ni tahi verry vadh ne
Suna kise di na suni vi aa rabb ne
Naaran barf ch laiyan kothe jiddiyan
Sade sohniye chubare jidde kadh ne

Laggi bapu de haddan nu kude pakki a
Jehdi leaker rkaane khet rakhi a

Unj dekhn nu lgge chitte rang di
Jado pani paindai neeli hoje jattiye

Jado yaaran di aake aa gaddi khad di khad di
Vich goat te pteeli chulle chad di chad di
Manje baan de te baithea nu lagdi lagdi
Fir motor hi mykonos wargi

Pehle din ton e rooted zameen na
Tummy gaddiyan di full gasoline na
Chidde kaddi de aa jaago te te jagg te
Sade sohniye cluban ale scene na

Pound 300 swaai suit tang di
Chiku chiku kare jutti chiku rang di
Na koi medicine na e koi recovery
Tu discovery de sappan wangu dangdi

Ni oh bas fir kise nu ni jaan da
Jihnu pata ni bathinde ale saan da
Tere bhrme sreer wangu bhrea
Tere bhrme sreer wangu bhrea
Geet hundai kaptaan kaptaan da
