

We love we love rocky rocky
We love we love rocky rocky

Ek naam naam hai rocky
Aur kon sahar me hai baki
Main abhi hoon hosh
Main aa raha hoon josh mein
Aur ek jam mere saki
We love we love rocky rocky
We love we love rocky rocky

Main abhi hoon hosh mein
Aa raha hoon josh mein
Aur ek jam mere saki
We love we love rocky rocky
We love we love rocky rocky

Tej hawa se bhi jalta hai jo
Aur kisse sambhalta hai wo
Aage sabse nikalta hai wo
Mai jis ghode ka joki
We love we love rocky rocky
We love we love rocky rocky

lyrics

Main abhi hoon hosh mein
Aa raha hu josh mein
Aur ek jam mere saki
We love we love rocky rocky
We love we love rocky rocky

Khusboo banke main ud gaya
Jadoo banke main chal gaya
Main kuch lekar nikal gaya
Dekhte rah gaye baki
Ek naam naam hai wo rocky
Ek naam naam hai rocky
