

Yeah we rock we rock we rock on
Tum yeh jaano na tum mein baat hai
Kya sara jahan tumpe hi fida hai
Masti ki hai taal aaja jhumein yaar
Zara cool yeh apni ada hai
Jaadu sa chalta hai sur jab chalakta
Hai is me maja sa bhara hai zara
Sitaaro bhara apna jahan ke
Khwabon ki hai manzil aasman
We rock we rock we rock we rock on
Aa kare zara mitha sa shor
Iraado mein hai apne bhi zor
We rock we rock we rock we rock on

Music me hai fun aur hum jo hain sang
We gonna do it all in our own way
Rukna abb kaisa chupana ab
Kaisa khulke mangenge sab jindagi se
Jadu sa chalta hai sur jab chalakta
Hai isme maja sa bhara hai zara
Sitaaro bhara apna jahan ke
Khwabon ki hai manzil aasman
We rock we rock we rock we rock on
Aa kare zara mitha sa shor
Iraado mein hai apne bhi zor
We rock we rock we rock we rock on

Haan koi saanson mein hai
Dhun zara sa gaur se tu sun
Hai issme josh aisa jo roke se
Na rukta hai we rock we rock on
Har ek din aur har ek raat
We rock we rock on
Har ek bat mein hai ek baat
Sitaaro bhara apna jahan ke
Khwabon ki hai manzil aasman
We rock we rock we rock we rock on
Aa kare zara mitha sa shor
Iraado mein hai apne bhi zor
We rock we rock we rock we rock on

Sitaaro bhara apna jahan ke
Khwabon ki hai manzil aasman
We rock we rock we rock we rock on
Aa kare zara mitha sa shor
Iraado mein hai apne bhi zor
We rock we rock we rock we rock on
