---

Yaara na marde yaara na jeeniya  
Whatever whatever whatever  
Naal jo hunde o saare nageene aa  
Whatever whatever whatever

Unj ta bola tu bol nahi mukhe de  
Saanu kyon dekhe ke bulla nu seene aa  
Whatever whatever whatever

Jatt raja na heera nu chahve  
Whatever whatever whatever  
Gucci to thalle koi leera na paave  
Whatever whatever whatever

Faida hai tainu haan kehde tu mainu  
Lay da ge tainu jo heera tu chahve  
Whatever whatever whatever

Aao kaat le tu cam tainu karde ni bore  
Jatt thalle gaddi jeri 4x4  
Dil ch na chor awe tak na tu hor  
Jiwe takde mor teri tor hye tor

Tenu hona hai mera endeavor  
Whatever whatever whatever  
Aaj bannye together forever  
Whatever whatever whatever

Yaraan na marteya yaraan na cheeneya  
Whatever whatever whatever  
Naale jo hunde ho saare nageene  
Whatever whatever whatever

Unji ta bula to bole ni mukhe de  
Saanu kyon dekh ke bula nu seene aa  
Whatever whatever whatever

Aao jithe asi khad jaiye lag janda jaam ni  
Hun te savere saada bolta naam ni

Jithe asi baith jaiye lag jandi hai mehfila  
Hun te hanere saade jag diya rifla

Aao karda dikhaabe na main fake banke  
Pachda nahi telnu brake karke  
Das tere nakhre da taar da main moli unj  
Chhad daa ni cheez koi main rate karke

Mainu lagge tu thodi clever  
Whatever whatever whatever  
Kade kahiye na tu mainu never  
Whatever whatever whatever

Yaara na marteya yaara na jeeneya  
Whatever whatever whatever  
Naal jo hunde o saare nageene aa  
Whatever whatever whatever

Unj ta bola tu bole nahi mukhe de  
Saanu kyon dekhe ke bula nu seene aa  
Whatever whatever whatever

Jatte raja na heera nu chave  
Whatever whatever whatever  
Gucci to thalle koi leera na paave  
Whatever whatever whatever

Faida hai tainu haan kehde tu mainu  
Laiyda ge tainu jo heera tu chahve  
Whatever whatever whatever
