Hawavan rehndi badal diyan ruttan russiyan
Tu na manniyan kade main naa manneya
Manavengi ta mann jaavange
Mann jaavange

Bagani utte lakh ladiyan teri adiyen
Mitran de hathhe chadhiyan thand bhariyan
Main keha haule hatthi khavange
Hatthi khavange

Ni dass teinu kitthe milna kive milna
Kidda kinne vajje kehre vehde milna
Ni nange pairi bhajji aavange
Teinu mod khade labbi jaavange

Ni dass teinu kitthe milna kive milna
Kidda kinne vajje kehre vehde milna
Ni nange pairi bhajji aavange
Teinu mod khade labbi jaavange

Nattiyan rakhdi koke rakhdi
30 saalan di munda 40 koke rakhdi
30 saalan di munda 40
Bakkhiyan wargi hasse kadddi

Dhee chavaan di dhuppan kardi
Mauke labhdi hauke labhdi
Meinu buha dhoh ke labhdi
Gal di gaani kho ke labhdi
Sohni lagdi rondi hasdi

Ni ankhan jive phooljhadhiyan halle ladiyan
Pariyan te phool kaliyan tettho sadhiyan
